

In re Appln. Of: John A. Obermark  
Application No.: 10/077,217

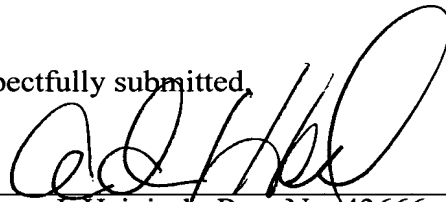

*REMARKS*

The Office Action dated February 17, 2004, has been carefully considered. In the Office Action, the only issue presented was an obviousness type double patenting rejection. This has been obviated by virtue of a terminal disclaimer which is concurrently filed herewith to overcome this rejection. Because the terminal disclaimer renders this rejection moot, all issues are resolved and therefore Applicant respectfully requests a Notice of Allowance to be forthcoming.

*Conclusion*

The application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,

---
